To Mr. Stander:

Thank you for bringing The Boomer Boys to the Duncan Smith Theater! It was such a success and your team made everything so easy. Producing the show was a breeze; it was so easy to load-in and light. Tickets sold out so quickly and I have been inundated with glowing feedback from so many of our regular audience member. One of our long-term patrons told me it was his favorite show that he has ever seen at the barn!

Best wishes for the rest of the tour. Looking forward to scheduling a return engagement when your schedule allows.

Sincerely,
